

Write a Python program to print the following pattern:

S	S	*	*	*
S	*	*	*	*
*	*	*	*	*

no. of lines = 3

			*			
		*	*	*	*	
	*	*	*	*	*	*
*	*	*	*	*	*	*
*	*	*	*	*	*	*

no. of lines = 5

Algorithm

Steps/Recipe to make chicken tikka masala (30 pieces)

- 1.) Take masala and butter stir them in a pan on medium heat till the butter melts.
(3 tbsp) (1 stick)
- 2.) Stir for 2 mins on medium heat and then add 16 oz of tomato sauce
- 3.) Add 2 cups of water and stir until it turns orange and no tomato sauce is left.
- 4.) Add a jug (12 oz) of whipping cream to it and stir until saturated orange and then
